An instinct for growth™

Unlock Australia

Helping you set up and grow your business

Expanding into new international markets can be challenging and fraught with issues. Our Unlock Australia service will provide expert advice and insight to support you every step of the way. From helping you find the best location, to setting up a subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your goals.

International expansion is an important step. By appointing a dedicated international business adviser, who takes time to understand your organisation and provides tailored services, you'll know you have the right support to mitigate risks and maximise the potential a new market offers your business.

Whatever the challenge, we're at your side. We can help at every stage of your company's growth cycle – from starting-up, to raising capital, listing on the Australian Securities Exchange (ASX), undertaking M&A transactions, or using Australia as a base to expand into other markets – you can count on us.

Why choose Australia?

Australia provides a safe, low-risk environment in which to do business. With 28 years of uninterrupted annual growth pre-COVID, Australia has demonstrated a highly-resilient economy and is already recovering strongly. As a country, we have strong economic and cultural ties within the fast-growing Asia-Pacific region. With world-leading innovation and business clusters, and a labour force among the most skilled and diverse in the world, Australia is one of the easiest places in the world to do business.

Grant Thornton – A truly global organisation

Grant Thornton Australia is a member firm of the Grant Thornton global network – one of the world's leading independently-owned and managed accounting and consulting firms. No matter your industry, lifecycle stage, market or growth plans, our experienced professionals are dedicated to achieving the best outcome for you and your stakeholders.

We combine the **resources and skillsets of larger firms** with the **accessibility and agility of smaller firms** to help dynamic organisations unlock their potential for growth. In partnering with us, you will appoint a firm with the size and scale to meet your technical requirements, while retaining the flexibility required to pivot should they change.
