

# Unlock Singapore

Helping you set up and grow your business

# Expanding your business in Singapore

Singapore has experienced rapid economic development over the last 54 years. It is often seen as a strategic hub in Asia due to our world class infrastructure, low corporate tax and skilled workforce.

International expansion is an important step, but with a dedicated international business adviser, who takes time to understand your business and customise the specific services you require, you'll know you have the support to manage the risks and maximise the potential a new market offers your business.

In helping you to 'Unlock Singapore', Grant Thornton can provide your business with a wide range of services and assistance in establishing your business in Singapore.

- Accounting services

# Why choose Singapore?

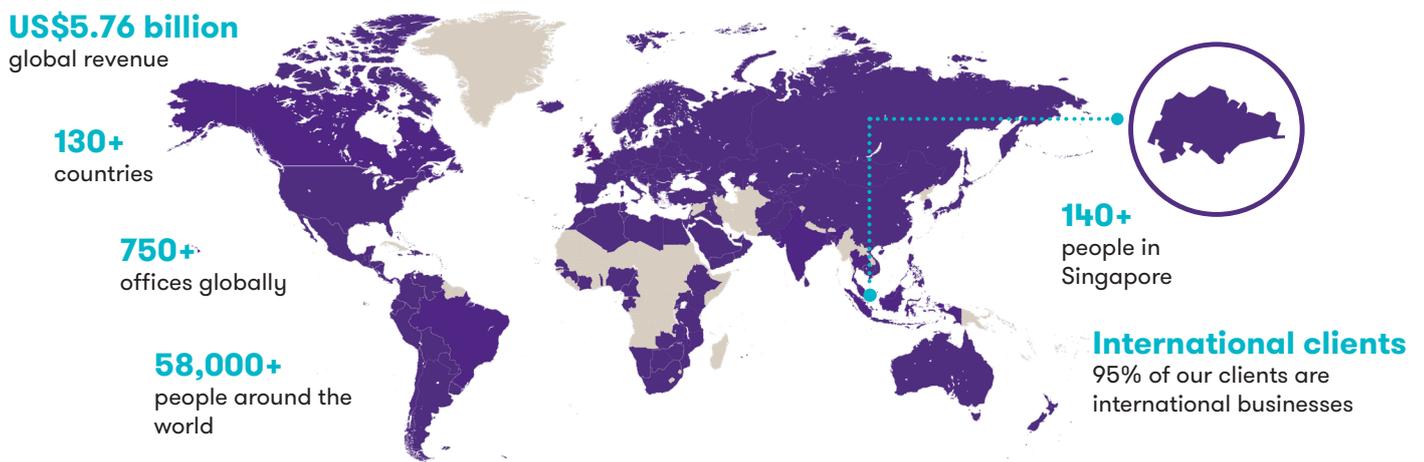

Singapore's excellent strategic location and highly open economy make it attractive for companies looking to conduct business here. Furthermore, Singapore has a stable political environment, low taxes and a highly skilled workforce making it one of the most favourable business locations in the world.

# Grant Thornton – A truly global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. Wherever you choose to do business, you want access to people with the best ideas and critical thinking that will enable you to grow your business at home and abroad.

To ensure continuity of service we have International Business Centres (IBCs) led by experts from around the world, that work together to provide and coordinate the gateway to the resources of Grant Thornton.
