

Unlock UAE

Helping you set up and grow your business

2021

Expanding your business in UAE

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our Unlock UAE service can provide expert advice and insight to support you every step of the way. From helping you find the best location, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

International expansion is an important step, but with a dedicated international business adviser, who takes time to understand your business and customise the specific services you require, you'll know you have the support to manage the risks and maximise the potential a new market offers your business.

Our advisers can help at every stage of your company's growth cycle— from starting-up, raising venture funding, listing on a global exchange, acquiring or merging with another company, or using UAE as a base to expand into other markets – which means that whatever the challenge, we're at your side.

Why choose UAE?

The United Arab Emirates is the number one destination for foreign direct investment in the Middle East. Strategically positioned between Asia, Europe and Africa, the UAE is the one of the most tolerant, diverse, and secure countries in the region. With state-of-the-art infrastructure, easy access to smart government services, highly transparent financial services, a tax-efficient business environment, and a vibrant open economy, the UAE is the ideal location to grow your business.
