# Why choose Luxembourg?

Organisations come to us for our local and global scale, quality, industry insight and deep technical expertise. But what sets us apart is our distinctive client experience which leads to more meaningful advice and a better working relationship.

## Market Opportunity

- Population of 645,000 people
- More than 170 nationalities; percentage of foreigners: 47.1%
- The country responded to market forces with new regulations and improvements at government level, as the country adopted forward-thinking, pro-business policies. Facility to adapt to new challenges
- A diversified economy and high standards of expertise

## Access to finance

- As the leading European centre for investment funds, the leading private banking centre in the euro zone and the home of choice for reinsurance companies, Luxembourg is now a diversified financial centre that offers sophisticated products and services to an international clientele
- Luxembourg has the best AAA credit rating from the main financial rating agencies

## Magnet for talent

- The Luxembourgish education system adapts in continuity to a changing world
- Luxembourg offers multilingual education, financial aid and assessment based on students' skills

## Innovation HUB

- Luxembourg's forward looking approach and can do attitude
- A strong track record in innovation by embracing implementing change
- Strong ICT development
- Luxembourg is no.23 amongst 132 countries for most innovative economy in the world

## Quality of life

- Friendly open-minded population
- A modern legal and regulatory environment
- A universal social security system
- A great and safe place to live, a mix of active city life and wonderful countryside
- Fast, clean and free public transportation in all the country
- The unemployment rate of the country is one of the lowest in Europe

## Business friendly environment

- Favourable environment for businesses secure and reliable
- A central location in the heart of Europe
- High political, economic and social stability
- Access to talent: an international and multilingual working environment
- A culture of consultation and dialogue between management and labor in all industry sectors

 Grant Thornton Luxembourg

## Grant Thornton – A truly global organisation

We are a global network of 68,000 people in member firms in 147 markets with a common goal — to help you realise your ambitions.

Which is why our network combines global scale and capability with local insights and understanding.

So, whether you're growing in one market or many, looking to operate more effectively, managing risk and regulation, or realising stakeholder value, our member firms have the assurance, tax and advisory capabilities you need with the quality you expect.

© 2023 Grant Thornton Luxembourg - All rights reserved.

'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Luxembourg and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.
