Managing partner

"We continue to develop and maintain mutual trust with our clients and the public by providing high quality services while maintaining independence and integrity. We provide services related to our clients' compliance with domestic laws and professional rules which increase in volume and complexity year by year. In the advisory services for privately held business and public business, we provide the optimal service to clients based on extensive experience and technical skills accumulated over several years. We also provide consistent and high quality services through the seamless global collaboration of member firms within Grant Thornton."

Who we are

Grant Thornton Japan provides clients with high quality services in audit, tax and advisory services. Initially founded in 1971, the firm has grown, and has an extensive client base, including several dynamic Japanese and foreign corporations. Due to legal constraints, these services are provided by separate company groups:

- Audit - Grant Thornton Taiyo LLC
- Tax - Grant Thornton Taiyo Tax Corporation
- Advisory - Grant Thornton Taiyo Advisors Co., Ltd. , Grant Thornton Taiyo Inc., Grant Thornton Taiyo Human Capital Corporation. and Grant Thornton Taiyo Accounting Service Inc.

Where we are

We have offices in Tokyo, Osaka, Nagoya and Hokuriku. We also operate Japan desks to support Japanese businesses in Australia, China, India, Indonesia, Malaysia, Mexico, Philippines, Singapore, Taiwan, Thailand, UK, US and Vietnam.

How we work

We approach all of our assignments by integrating international experience with local business and technical expertise. At Grant Thornton Japan we pride ourselves on having a partner-led service for all our clients.

Grant Thornton Japan has an International Business Centre (IBC) director who provides a gateway to the resources of the Grant Thornton international network. IBCs are led by experts in international business who can access the wealth of experience held by member firm partners around the world. They coordinate this expertise to serve clients across borders.

Why Grant Thornton and our clients

We help publicly listed, privately owned and public sector clients by providing meaningful, forward looking advice. Our specialists have experience in the issues affecting mid-sized and large businesses. Combined with the global reach and resources of Grant Thornton, this means that we're uniquely placed to deliver the best advice in a seamless way - regardless of sector, service line or location. We provide expertise and insight to deliver a one firm solutions based offer to our clients.
