Who we are

Grant Thornton Daejoo was founded in 1995 and has established a professional practice designed to serve foreign interests in Korea. The firm offers a traditional audit, accounting and tax practice and a broad range of advisory services to privately held businesses and public interest entities as well as foreign invested companies.

Where we are

Our head office is in Seoul, the capital city, and we have four regional offices: Busan, Changwon, Cheongju, and Kwangju.

How we work

We provide a partner-led service. Our partners have extensive experience in their respective fields and there are no language barriers. We are proud of our responsiveness to our clients' requests and provide tailored solutions for their business, based on their situation. We combine international experience from across the Grant Thornton global network with local business and technical expertise.

Why Grant Thornton

Grant Thornton Daejoo reacts quickly to clients' needs and issues. We are committed to acknowledge your requests or questions within 24 hours and aim to offer our advice and solutions in a timely manner. We also ensure on-going and proactive communications for our clients throughout the year to discuss emerging business trends and industry issues. Our engagement team will discuss the impact of new rules and regulations affecting clients' businesses and share best practices and recommendations to address these matters.

Our clients

With a clear understanding of dynamic and growing businesses, we focus on serving clients of small to medium sized companies, start-ups, entrepreneurs, privately held businesses and family owned companies. Our client base has allowed us to gain valuable insight into the complexity of how these businesses grow and operate in this competitive marketplace. We understand their goals and opportunities, as well as issues and risk they face every day. To help our clients expand and develop, we provide an environment with actionable advice for all their business needs.
