*"We are a flexible and independent firm of professionals offering a personalised and quality service, which is geared to our client needs and expectations. Our multilingual, dynamic and friendly personnel promise a timely and reliable response."*

**Romain Bontemps & Thierry Remacle**

### Who we are

Grant Thornton Luxembourg offers a full range of assurance, tax, corporate finance and advisory services. We are dedicated to serving the needs of growing and well established companies. We are able to combine the knowledge and experience of our local marketplace with the technologies, methodologies and specialist resources of a professional services organisation at the forefront of the global accounting profession.

### How we work

We are:

- a flexible and independent firm of professionals offering a personalised and quality service geared to client needs and expectations
- multi-lingual, dynamic and friendly personnel promising a timely and reliable response
- an efficient service at a competitive price is provided through professional experience and expertise
- a multi-disciplinary firm concept that seeks to meet all tax and accounting needs in the most rapid, economic and professional way possible

### Where we are

We have offices in Luxembourg City and Capellen

### What we do

Grant Thornton Luxembourg offers a wide range of services.

#### Assurance

Our main aim is to provide an approach to auditing your business, taking the time and opportunity to know the individuals involved in the company as well as gaining valuable knowledge of the industry and the marketplace in which your business operates, providing you with exceptional service. Our service is based on mutual trust, while guaranteeing professional confidentiality and quality.

- preparation of statutory and annual accounts (Lux Gaap or IFRS)
- reporting (Lux Gaap or IFRS).

#### Tax

We provide corporate and individual tax advisory services for the international and domestic needs of both private and corporate clients in Luxembourg and internationally.

Our international tax professionals advise clients on international tax strategies, a service we personalise for each situation. They also help with company registrations, mergers and acquisitions, transfer pricing, expatriate services and value-added tax.

Our objective is to provide value beyond tax-planning solutions. By working closely with our clients, we provide tailor-made consulting services that help them achieve long-term tax savings. We provide you with valuable expertise in corporate and individual **tax compliance** services to optimise your income in the preparation and filing of your tax returns.

#### Advisory

- Valuations

#### Other services

##### *Accounting*

We provide a wide range of accounting services:

- book-keeping
- budgets and profit forecasts
- consolidations
- costing and cash flow forecasts
- organisation of accounting and administration.

Professional chartered accountants assist you in analysing the financial results and performance of your company, provide guidance on operational strategies and support management in its choices on economic, tax, legal and financial policies.

We also provide payroll management and corporate secretariat services which include:

- advice on staff remuneration
- company set up
- coordination of independent tax specialists, lawyers and notaries through our worldwide network
- excellent contacts within the Luxembourg administration, banks and other financial sector professionals in Luxembourg
- implementation of complex international structures for restructuring plans
- organisation of board meetings and shareholders' meetings, maintenance of shareholders' register and follow up on legal formalities
- payroll services
- personal tax advice
- services for expatriates.

#### Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 40,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
