Marco Egger
Managing partner

“Our experienced team work closely with our clients to understand the issues they face. We are ready to respond to the needs of our clients across assurance, tax and accounting services. Being part of a global network allows us to understand the needs of our international clients and help businesses grow anywhere around the world.”

Marco Egger

Who we are

Grant Thornton Slovenia was founded in 1992 under previous name IB Interbilanz. In 2016, we merged with the audit company EPIS d.o.o. located in Celje.

Where we are

We have two offices in Ljubljana with the headquarters in Linhartova 11a and one smaller office in Celje. We service clients throughout Slovenia.

Why Grant Thornton

Our consultants are specialists in the Central European area and our firm has strong links with Grant Thornton member firms in the region.

In order to support you in the best possible way, we combine many years of international experience together with knowledge of the local market gained from more than 25 years in Slovenia.

The key to our success lies in the personality and expertise of our people. Our relationship with clients is based on a personal approach and deep trust. With Grant Thornton, you will have a personal consultant on-hand whenever you need advice. We do not use anonymous teams.

Our clients

We focus on dynamic, ownership-based businesses, those with an international need as well as on small and medium-sized enterprises.

How we work

We know all about entrepreneurial thinking, much to the benefit of our clients. A personal engagement partner is assigned to each client, who ensures that all services perfectly dovetailed with one another and meet our high standards. In providing tailored services to clients, the partner can access a pool of specialist knowledge within Grant Thornton at an international level.

What we do

We provide a range of services including:

Assurance

- audit of financial statements according to Slovenian GAAP/IAS and IFRS
- audit of the internal control system
- corporate compliance
- reviews and other attest services
- transaction related audits.

Advisory

- business risk services
- forensic and investigation services
- mergers & acquisitions consulting
- transaction services such as due diligence
- valuations.

Tax

- compliance services
- corporate income tax
- corporate tax planning
- customs and excise taxes
- indirect tax
- international tax, transfer pricing
- personal income tax.

Other services

- advice on company formation, legal structure
- bookkeeping and payroll administration services, compilation of financial statements
- IFRS consulting
- monitoring trustee services.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 47,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
