Who we are

Grant Thornton Sweden is one of Sweden's leading assurance companies with more than 1,070 employees in 23 locations.

How we work

We provide high quality professional services to all our clients. We are knowledgeable and strongly committed to our clients' business needs. Our services to our clients are offered with a high level of personal attention from partners and other senior staff.

Grant Thornton Sweden has an International Business Centre (IBC) that provides a gateway to the resources of the Grant Thornton International global organisation. IBCs are led by experts in international business familiar with the wealth of experience held by member firm partners around the world. They coordinate this expertise to serve clients across borders.

What we do

We provide services in the fields of audit, outsourcing & payroll, tax and advisory services that help to generate successful business for companies and their owners.

Assurance

We perform audits for all types of companies and organisations, including 25 listed companies as well as major state-owned companies. Our firm and its auditors are regularly examined by our own internal control group, Grant Thornton International, Swedish Organisation of Certified Public Accountants and the Swedish Supervisory Board of Public Accountants. This ensures a very high level of quality in the services we deliver. Grant Thornton Sweden is also registered with the PCAOB.

Tax

We have approximately 80 national tax consultants in Sweden and we are considered to have one of the very best tax teams in the country, providing expertise on all common tax issues including international tax, transfer pricing and expatriate services.

Advisory services

Our advisory services comprise of business consulting, business risk, mergers & acquisitions, transaction advisory services, valuations, forensic and recovery & reorganisation.

Other services

- outsourcing services (payroll services, electronic invoice administration, accounting services, outsourced finance department etc)
- advisory services targeted specifically at privately held businesses
- succession planning.
- Outsourcing services also provided through a digital portal and app.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 47,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
