

Unlock Slovenia

Helping you set up and grow your business

2021

Expanding your business in the Slovenia

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our service can provide expert advice and insight to support you on every step of the way. From helping you find the best location, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

We offer our clients a wide range of audit services as well as tax and business consulting services. Our experts are closely associated with other Grant Thornton companies in the region. In order to provide you with the best possible support and services, we combine flights of international experience and knowledge.

Our relationship with clients is based on a personal approach and trust. With Grant Thornton you will have a personal consultant on hand whenever you need advice, not anonymous team.
