

Unlock Sweden

Helping you set up and grow your business

2023

Are you establishing your business in Sweden?

Expanding into new international markets can be challenging due to the many issues to consider and resolve. Our team can provide expert advice and insight to support you every step of the way.

From helping you determining the appropriate corporate structure, to setting up a branch or subsidiary, we are committed to providing pragmatic and timely advice that allows you to focus on achieving your business goals.

Our advisors can help at every stage of your company's growth cycle - from starting-up, raising venture funding, listing on the Stockholm Stock Exchange, acquiring or merging with another company, or using Sweden as a base to expand into other markets - which means that whatever the challenge, we're on your side.

We can help you with the following services:

1. Company set up

- Determining the appropriate corporate structure
- Company registration
- Determining if you have a permanent establishment in Sweden
- Tax registration

2. Business growth support

- Expert, tailored support to help you grow your business
- Market assessment and competitor analysis
- Market entry strategy
- Introductions to key business communities
- Financial and tax due diligence
- Business valuation and financial modelling
- Mergers and acquisitions
- Sustainability strategy
- US Sarbanes-Oxley 404 Act

3. Taxation services

- Corporate and international taxes
- Indirect taxes
- Transfer pricing
- Personal taxation advice
- Stock options and repatriation of funds
- Pensions and benefits
- Global mobility
- Tax compliance services

4. Audit and assurance

- Statutory and non-statutory audits
- Swedish and new GAAP conversions and compliance services
- Financial reporting advisory
- International financial reporting standards advisory
- Financial reviews
- Internal audit services

5. Financing your business

- Advice on debt or equity funding
- Listing on Stockholm Stock Exchange and other regulated markets
- Exit readiness

6. Outsourcing services

- Bookkeeping for start-ups and SME's payroll services
- Fully outsourced and web-based solutions
- Custom made financial reporting and accounting services that suits your business
- KPI reporting and analysis
- Global coordination services
- Digital client portal; the Web office
- Sustainability reporting

Why choose Sweden?

Sweden is deemed one of the most welcoming, business-friendly and entrepreneurial countries in the world. It is a noticeable place for international business, investment and innovation. With a stable and growing economy, a highly educated workforce and strong entrepreneurial presence, there is no better place to grow your business.

Grant Thornton – A truly global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. Wherever you choose to do business, you want access to people with the best ideas and critical thinking that will enable you to grow your business at home and abroad. To ensure continuity of service, we have 35 international business centres (IBCs) led by experts from around the world, that work together to provide and co-ordinate the gateway to the resources of Grant Thornton.
